ABOUT ME

I am a dedicated 17-year-old Full Stack Developer with expertise in building modern, scalable, and user-friendly web applications. Proficient in frontend technologies like Next.js and TypeScript, and backend tools like Node.js and databases, I aim to deliver complete solutions that ensure functionality and seamless user experiences while continuously expanding my skills.

MARYAM SHAKKEEL

FULL STACK DEVELOPER

WORK EXPERIENCE

Full Stack developer

2024-Present

- Developed full-stack e-commerce websites with features like product management, shopping cart functionality, and backend integration using Node.js and MongoDB.
- Built dynamic blog platforms using Next.js and integrated Sanity for content management.
- Designed and deployed a resume generator with clean UI and backend logic for form handling.
- Utilized modern frontend technologies like Tailwind CSS and backend APIs for seamless functionality.
